Dear Sir/Madam

I am looking for summer employment and I would like to be considered for your open positions.

I am currently a second year painting student at NSCAD, formerly graduated from NSCC's animation program. Last summer I worked with Cartoon Conrad, which was mainly animating keys, inbetweens and occasionally prop drawing. I have a decent experience working with Adobe Animate and with character rigs.

I am available for interviews anytime and I will look forward to hearing from you.
